#### Conditions of Approval/Staff Comments:

Blasting must be conducted in compliance with all pertinent sections of the Town Code except as superseded by the provisions of NFPA 495: Explosive Materials Code, as adopted by the State of Maine. In any particular instance where these regulations are in conflict with any other rules, regulations, or ordinances of the Town the more restrictive regulation or provision prevails.

No less than 48 hours prior to any blast, the applicant shall inform the Fire Department and Code Enforcement Officer of the impending blast and include the time of the blast within two hours

No less than 24 hours prior to any blast, the applicant shall inform all landowners, who have requested to be so notified as per § 8.4.7C(3), of the impending blast. Such notification may be given by telephone or email and must state the time of the blast within two hours. The burden of proof as to whether the notification was in fact received rests with the person responsible for the blasting operation.

Blasting operations are limited to the hours between 8:00 a.m. and 6:00 p.m., Monday through Saturday, inclusive.

#### Certification:

The Owner/Applicant has certified that the information contained in this application and any related submissions to be true and accurate to the best of their knowledge. The Owner/Applicant understands that they are responsible for compliance with all applicable Town, State and Federal regulations and that failure to comply may result in the imposition of fines, legal fees, and the abatement of any violations. The Owner/Applicant understands that they will notify the Code Enforcement Officer of any changes to this application. By signing this permit, the Owner/Applicant authorizes property access by town officials to conduct inspections and property tax assessments.
